

CSC 308 – Assignment 8

Due: Tuesday March 23, 10 minutes before class starts

Do Programming Exercises 1 on page 485 in the text (end of chapter 9, titled “Course Information”).

What to submit:

Submit source code via email. If you are absent, it is still your responsibility to submit on time. Put group members’ last names in the subject line.

Keep in mind the following:

- Name your source file with group members last names: ex: JonesMartinSmith.txt
- Test your program when you think you are finished. Make sure it works correctly.

Good Luck! Remember, questions are encouraged. 😊
